Subject: Diamond Alkali RM 10.9

Carol,

When we spoke on Friday, June 29, you asked me whether, if Occidental Chemical Corporation were to request a conference pursuant to Section XXII of Unilateral Administrative Order for Removal Response Activities 02-2012-2020 (UAO), it would be possible to schedule the conference on July 12, 2012.

Under the terms of the UAO, the conference, if requested, should be held by July 9, 2012. However, the Fourth of July holiday in the middle of this week may complicate efforts to schedule a conference; and EPA understands that Occidental is working on some logistical issues that may relate to the subject of the conference. EPA is willing to consider scheduling a conference, if requested, on July 12. Tuesday July 10 may also work.

We look forward to hearing from you.

-Sarah
